

JOURNAL OF RURAL ECONOMICS
Special Issue 2009

THE AGRICULTURAL ECONOMICS SOCIETY OF JAPAN

Contents

Part I

- Examination of the Regionality of Multistory Area Structure Makoto Sakamoto (1)
- Study of New Progressing on Support System of Those from a Non-Agricultural
Background in Meadow Dairy Farming Zone
..... Youhei Yamauchi, Fumihiko Zama, Kan Higashiyama (8)
- The Establishment of the Farming Corporation Supported by Agricultural
Cooperatives: Implication for Regional Agricultural Planning Yasuhiko Kudo (16)
- Study on the Actual State of Agricultural Land Purchasing Problems and the
Characteristics of Land-Saucer Corporation Kan Higashiyama (24)
- The Development of the Regional Farming Support Systems in
Citrus Producing Area Hiromi Tokuda (32)
- Development and Evaluation of Year-Round Grazing Technology Utilized Forage Rice
..... Masayuki Senda, Wataru Oishi, Tetsuya Ishikawa, Izumi Fujiwara,
Shinichi Sugaya, Hiroya Sato (39)
- The Farmland Liquidization of Large-Scale Management in Hokkaido Tokachi Field
..... Takao Hosoyama (45)
- Risk Attitudes of the Japanese Farmers in 1920-30s:
Evidences from the Farm Household Surveys Motoi Kusadokoro (51)
- Macro Economic Impacts of Public Capital for Irrigation and Drainage:
Application of CGE Analysis Yoji Kunimitsu (59)
- Functions of the Intra-Paddy Canalization in Rice Terraces Observed in Kyoto-Tango Areas
..... Hitoshi Nakamura (67)
- A Process of Rebuilding Water System and Restructuring Maintenance Action
..... Yukinaga Nishihara, Mari Takeda, Yasuhiro Nakashima (75)
- Analysis of Effects of Land Improvement to Farm Structure Kazuki Ishida (83)
- Establishment of Environment Friendly Livestock Farming in Large-Scale Reclaimed Land
..... Shigeyoshi Takeuchi, Hisashi Datai, Toyonobu Sato (87)
- Prefecture Difference of Excessive Crop and the Characteristic in Paddy Set-Aside Program:
Basing the Rapid Falling of the Price of Rice in 2007th Takeshi Sato (95)
- Effects of Price Uncertainty on Land Shadow Value in Japanese Rice Production:
Joint Estimation of Risk Preferences Structure and Technology
..... Ryo Sakamoto, Hitoshi Kusakari (102)
- A Study on the Actual State of Introduction of the Cultivation of Spring Wheat Seeded
in Early Winter and Its Effect on Farm Management in Hokkaido Tomomi Komatsu (108)
- Possibility and Issues of Farmland Transaction through Opening Its Information
..... Takashi Kuwabara (115)

Quantitative Evaluation of the Japanese Rice Policy Reforms under the WTO Agreement on Agriculture	Daisuke Takahashi (123)
Analysis of TMR Demand in Dairy Farm	Kazushi Nishimura (131)
Nitrogen Fertilizer Application and Technological Progress in Rice Production in Japan	Takumi Kondo, Taisuke Takayama, Humio Osanami (139)
Viability of Management Development in Business-Oriented Family Farms with “Strategic Partnering”	Masashi Taniguchi, Tomohiro Uchiyama (144)
The Role of Farmer’s Regional, Crossed Activity in Process of Importation of Techniques and Diffusion	Futoshi Hayashi (150)
Clarification of Field Distribution Situation and Effect of Accumulation of Warm Region Corn Contractor	Kazushi Nishimura (158)
State Structure Analysis of Human Resources in Rural and Mountain Village	Hiroaki Watanabe (166)
 Part II	
Policy and Issue to Collect Fruit and Vegetables in Small Wholesale Market at Local City: A Case Study of Toyooka Chyuu Wholesale Market	Masayoshi Tsuji, Masayuki Ono (174)
Analysis on Pricing Factors for Branded Rice in Japan	Akira Kiminami, Lily Kiminami, Shinichi Furuzawa (182)
Meaning of the Business Diversification of the Local Agribusiness	Satoshi Yoshinaka (189)
A Study on Relation between Lending Promotion and Capital Adequacy Ratio of Multipurpose Agricultural Cooperatives: A Case Study of JA Yamagata-Okitama	Yoshihiro Oshima, Kenji Higurashi (196)
Characteristics on Farmers’ Financial Management under the Bank Accounts Settlement System of JA Pippu	Yasuyuki Morita (204)
An Analysis of Changes in Dietary Habit	Masahiro Sumimoto, Hitoshi Kusakari (212)
Innovation of Japanese Fermentation Industry and Its Launching into Food and Feed Business Field after World War II	Shohei Sato, Masamichi Nakajima (218)
Vertical and Horizontal Agglomeration of Location by Japanese Food Industry in East Asia	Yuko Akune, Suminori Tokunaga (226)
A Preparatory Study of Dinner Structure Analysis Using Menu Data	Masayuki Ito, Mitsuo Suzuki (232)
Consumer Preference to Organic Livestock Product and Possibility of Organic Livestock Product Production in Japan	Toshiyuki Yamauchi (239)
Analysis of Lending Situation by Prefectures about Agricultural Modernization Loan	Saori Iwase, Yoichi Izumida (247)
Current Situation and Issues on Cassava Processing Industries in Nigeria	Hiroki Inaizumi (255)
A Phase by the Rice Exchange System in California Rice Industry	Takahiro Suzuki (263)
Investigation on the Regional Food Consumption Structure in China	Eiichi Kusano, Osamu Koyama (271)
Analysis on Consumer Behavior for Japanese Rice in China	Lily Kiminami, Shinichi Furuzawa, Akira Kiminami (279)

The Import, Distribution, and Sales System in Hong Kong for Fresh Vegetable/ Fruit Produced in Japan, and the Related Issues Faced by Japan	Romio Mori, Hiroji Fujishima (287)
An Investigation to Taiwan's Agricultural Finance Reform and Future Challenges	Lien Wen Liang, Hong Park (295)
Changes in the Intra-Industry Food Trade in East and South East Asia	Norikazu Kanada (303)
An Analysis on Background Factors Determining Breakfast Skipping and Faddiness of Elementary School Children	Rie Arimune, Akira Ishida, Shigeki Yokoyama, Naoko Satoh (310)
An Analysis on Local-Level Transportation Cost in Vegetable and Fruit Supply Chains: On Direct Transactions of a Consumers' Cooperative	Fumiaki Kato, Yasuhiro Nakashima (318)
Problems in Direct Trade between Soya Processors and Farm Managers: An Extraction of Problems and an Evaluation of "The Soya Test Calculation Sheets"	Kazuya Sasahara (326)
 Part III	
On the Contribution of Agricultural Sector to Society	Hitoshi Kusakari (334)
Contemporary Significance about Genetic Resources Management of Crops and Vegetable by Farmers	Hiraku Owada, Tokuya Kawate (338)
Handing Down of Performing Arts and Diet in a Rural Festival	Tadashi Hasebe (346)
Current Situation on the Election of Members of the Agricultural Committee and Women Participation	Yasue Fujimoto (354)
Experimental Study on Work Life Balance of Women Farmer in Japan	Michi Tsutsumi (362)
Appearance of "Gendai Enoshō" and Its Significance	Yukari Shimizu (370)
A Study on the "Green-Tourism" Agricultural Policy and Farm-Inn	Mayumi Sato (378)
A Consideration on Less-Regulated Rural-Inns Managed by Families Engaged in Agriculture, Forestry, and Fishery	Seiji Nakao (386)
Impacts of the U.S. Biodiesel Program on World Soybean, Soybean Oil and Soybean Meals Market	Tatsuji Koizumi, Gen Furuhashi (394)
Multi-Level Governance and Its Outcome on the GMO Coexistence Policy in European Union	Masashi Tachikawa, Hanako Hatakeyama, Mami Sugano (402)
Analyses on the Management of Common-Pool Resource in Rural Area: Application of the Analytical Framework Taking Multifunctionality of Agriculture into Consideration	Shinichi Furuzaawa, Lily Kiminami (409)
Income Redistribution in Korean Farm Household	Yuichi Takayasu (417)
The Impacts of Corn-Based Fuel Ethanol Development on Agriculture in China: A Multiplier Decomposition within a Social Accounting Matrix(SAM) Framework	Jianping Ge, Suminori Tokunaga (425)
An Analysis of Farmers' Labor Mobility and Non-Regular Occupation Situation: A Case Study of the Interior Industry in Xi'an City, China	Lianye Sun, Yoshihito Itohara, Hajime Kobayashi (433)
Estimation of External Costs in an Upland Field Improvement Project	Kiyotaka Masuda, Hiroyuki Ito, Takahiro Sajiki, Yasutaka Yamamoto (441)

An Analysis on the Educational Effects of Agricultural Experience by Using Word Association Test	Daisuke Sawauchi, Yasutaka Yamamoto, Kyoko Kuraoka, Takahiro Sajiki (448)
Life Cycle Assessment of the Eco-Feed System by Re-Use of Food Residuals	Nobuki Arimoto, Masakazu Nagaki, Tatsuo Hishinuma, Yutaka Genchi (453)
Consumers' Awareness of the Vegetables from "Recycling-Loop"	Akiko Katsuya, Tomohiro Uchiyama (461)
A Consideration Concerning Success or Failure of Shared Resource Management: With Special Reference to Fishery Resource	Hisako Matsumoto, Akira Ishida, Shigeki Yokoyama, Yasuhiro Ito (467)
 Part IV	
Regional Cooperation for the Food Security in East Asia	Takashi Toyoda (475)
Analysis of Disparity among People in Different Regions and Different Income Classes Utilizing a SAM/I-O Linked Model for Thailand: Can We Achieve Disparity Reduction while Reducing Poverty?	Mitsuru Okiyama, Suminori Tokunaga (483)
Public Expenditure of the Agriculture Budget in Japan and Taiwan: An Analysis from Public Choice Theory	Tsai-Yu Chang (491)
The Achievement of the Supporting Policies for Chemical Pesticide Free Rice Production by a Local Government in Indonesia: A Case Study in Sragen Regency, Central Java Province	Tomohide Sugino, Henny Mayrowani, Supriyati (499)
The Production Efficiency of Share Tenancy Contract and Kinship Relation between Landlord and Tenant: The Case of Central Java	Shunsuke Nagai, Seiichi Fukui (507)
Land Tenurial Arrangement Choice of Shrimp Farming in Bangladesh	Daichi Tamai, Yasuhito Toyoda, Hitoshi Kusakari (515)
An Empirical Analysis of the Markets for Major Agricultural Export Commodities of Myanmar	Nay Myo Aung (521)
Agricultural Policy Impacts on Soybean Productive Efficiency in the Mekong Delta, Vietnam	Huynh Viet Khai, Mitsuyasu Yabe (529)
Changes of Rice Farm Economy in the Mekong Delta Based on Field Studies in An Giang Province	Go Sato, Koichi Yoshida, Yoichi Izumida (537)
Distribution and Non-Linear Price Transmission in the Food Supply System of Peru	Jose Zuiko (543)
An Investigation into Commercialization Constraints Facing Smallholder Farmers in Tanzania	Elibariki Msuya, Shuji Hisano, Tatsuhiko Nariu (551)
Impact of Microcredit in Livelihoods of Poor: A Case Study in Suburban Areas of Bangladesh	Muhammad Sayeedul Haque, Masahiro Yamao (559)
Technical Efficiency Measurement and Estimation of the Efficiency Determinants of Citrus and Cereal Mix-Farms in Mid-Hill, Nepal: A DEA Approach	Bhima Dhungana, Yasuhiro Sugimoto, Naoyuki Yamamoto, Masaaki Kirimura, Aya Nishiwaki (567)
The Effect of Price and Non-Price Factors on Agricultural Production in Nepal: A Cointegration Analysis	Sujan Piya (575)
Current Status of Grain Production Contract in the USA: A Case Study on Corn Seed Production in Iowa	Tomohiro Uchiyama (583)

Provincial Rice Productivity Change in Korea	Katsunobu Kondo, Yasutaka Yamamoto, Yongkwang Shin (591)
Paddy Field Development and Rice Farming Management of State Farms on the Sanjiang Plain, China	Hong Park, Lienwen Liang, Akihiko Sakashita (595)
The Decision-Making of Farm Households in Corn Production in China: A Case Study on Jilin Province	Xin Yuan Zhang (603)
Study on Staff-Contracted Farming of the Soybean Large-Scaled Farm in Heilongjiang Province, China	Li Kai, Ken Imai (611)
Forming Process and Problem of Stock-Mixed Family-Farming in Inner Mongolia of China	An Baoquan, Zhang Xiaohang, Ken Imai (617)
Development of Sericulture in Yunnan Province in China: A Case of Baoshan Region	Ni Hui (625)
The Conditions and Problems of Contract Production of Organic Soybean in the Northeast District of China	Kun Liu, Kiyohide Morita (633)
Issues on Water Buy-Back Scheme in Australian Irrigation Sector: The State of New South Wales	Yukio Kinoshita (641)
Technological Characteristics of Organic-SRI (System of Rice Intensification): Case in West Java, Indonesia	Shigeki Yokoyama, Amar Kadar Zakaria (648)
