The AESJ website will open for the registration procedures. (A student member in 2018 who is to be nominated as the first or corresponding author is required to extend his/her membership in 2019, because student membership is valid for only one year.)
- The first author (presenter) must register at the reception desk on the presentation day. Particularly, the presenter of the poster must come by 9:00 a.m. (see 2(3)).

1. Oral Presentations

(1) Time allocation

Each presentation is allocated for 25 minutes: 17 minutes for speech, 7 minutes for Question and Answer session, and 1 minute for changing presenter. The first bell rings when 15 minutes have passed. The second bell rings when 17 minutes have passed as a signal for the end of the speech. The third bell rings when 24 minutes have passed as a signal for the end of the whole presentation.

(2) Presentation time

Presenters must follow strictly the time allocated to your presentations. The presentation should start 1 minute after the previous one finished. The chair is going to provide a warning when the presentation is not running on time.

Presenters may not be entitled to submit to *Japanese Journal of Agricultural Economics (JJAE)* as “Research Letters” when they disobey the chairs’ directions and/or present inappropriately.

(3) Use of projectors

Presenters using projectors for their presentations need to bring a laptop computer. Please prepare the computer having RGB (VGA) or HDMI output terminal, or an appropriate conversion adopter. There is a projector and connectors in the presentation room. All presenters using the projector need to do a test-run on the equipment in the presentation room in advance to make sure there are no technical problems (i.e., by 9:00 for the morning session, and during lunchtime for the afternoon session). We do not extend the presentation time due to the connection failure. Just in case, we recommend that you bring a USB flash drive with the PDF file for your presentation. The secretariat does not receive your presentation file in advance.

(4) Preparing copies

Prepare sufficient copies (at least 30 copies) of the handout if you wish to distribute on the day of the presentation. Note that presenters cannot copy their handout at the meeting venue, and should keep them up to the presentation. Neither the registration desk, the executive committee office nor the secretariat office keeps the copies.

2. Poster Presentations

(1) The poster must be prepared in accordance with the layout sample shown in the appendix of this guide.

(2) The schedule table for the poster presentation (venue and time) will be posted on the website of our society in the middle of February, 2020.

(3) Please put up your poster in the fixed location of the meeting place by 9:00, March 29th, 2020 by yourself. Neither the registration desk, the executive committee nor the secretariat office keeps it.

(4) Presenters are recommended to prepare copies of the manuscripts and name cards.

(5) Candidates for Best Poster Award(s) should give a ten-minute oral presentation (a 7-minute speech and a 3-minute Q/A session) at a specified time by the AESJ.
